JOOP! Homme Eau de Toilette is a woody-floral men's fragrance that celebrates individuality and masculine sensuality.

Ideal for a man who likes to show off his modern individuality, the bold fuchsia bottle is both daring and trend-setting, holding a complex juice within.

The fragrance opens with fresh citrusy top notes of orange blossom and bergamot as an enticing initial scent. Moving through to a spicy heart of cinnamon, warming through each individual note, before drying down to a lingering amber base.

Hints of musk and Tonka bean round off the fragrance to a sensual finish, bringing it to a bold conclusion.
